

Start, grow, adapt or run your small business

Crafting content

Tuesday 11th May, 10am-12pm

Creating a consistent content plan is a vital way of standing out and attracting attention through social media. If your best post was 3 months ago, then you will be forgotten.

Having a plan and being strategic in the areas you focus on, will not only help you stand out it will help you position your brand as the go-to expert in the mind of your customers.

This workshop will explore the different types of content that can be effective in telling your story and marketing your brand from photos, to video or to written communication.

In this practical workshop you will:

- Create an annual editorial plan
- Create a content framework that maps out what's in and out
- Assess different types of content styles (like video and photography) and examples of how they can be used successfully.
- Review of the different social platforms, including Instagram Stories.
